Bharti Airtel Scholarship 2026-27

Achievers Today. Leaders Tomorrow.

About the program

An initiative by Bharti Airtel Foundation to support deserving first-year UG students seeking admission in tech and integrated courses in the top 50 NIRF-ranked engineering universities/institutes across India.

Eligibility

- Confirmed admission in the first year (academic year 2026-27) of the undergraduate/5-year integrated courses in fields of Electronics and Communication, Telecom, Information Technology, Computer Sciences, Data Sciences, Aerospace and Emerging Technologies (AI, IoT, AR/VR, Machine Learning, Robotics) at the top 50 NIRF-ranked Engineering universities/institutes. (Based on the 2025 list available.)
- Must be a citizen and resident of India.
- Both parents'/guardian's annual income from all sources must not exceed INR 8 lakhs.

Note:

- Preference shall be given to students who are girls, persons with disabilities, have single/no parents, and are transgender.
- Applicants should not be recipients of any other scholarships or grants for the same purposes as being supported by the Bharti Airtel Foundation.

Benefits

- 100% coverage of annual fees as per the course fee structure of the respective university/institute.
- Scholarships are available for the full duration of UG and integrated courses, up to 5 years (subject to renewal criteria).
- Hostel and mess fees will be covered for all eligible students who apply.
- For PG/external hostel students, funds will be released based on the hostel/mess charges (whichever is less).
- A laptop will be provided to all Bharti Scholars in the first year. (The student is responsible for its safety/security; no replacements will be provided.)
- Upon successful graduation and subsequent gainful employment, Bharti Scholars will undertake to voluntarily support education of at least one student on a continuous basis, at all times during their lifetime. This commitment aims to foster a culture of giving back, ensuring the continued empowerment of future generations through education with the community.
- Bharti Scholars are encouraged to demonstrate environmental leadership and to voluntarily undertake planting and nurturing a minimum of five trees annually during the tenure of the scholarship.

Note:

- All sundry and refundable expenses during the year of study, including but not limited to any counselling (JOSAA) fee, library fee, refundable security deposits, internet fee, breakage, laundry charges, damage recovery charges, or any other mid-year requirement of the institute, will be borne by the scholars only.
- In the event any information furnished or declared by the students or parents/guardians is found to be false, the application will be rejected. If discovered later during the course of scholarship support, the scholarship will be revoked, and the students or parents/guardians will be asked to reimburse any amount disbursed (to date) by the Foundation, including returning the laptop issued.
